

Information document about the insurance product

Company: DKV Seguros y Reaseguros, S.A.E.

Product: DKV Integral

The full contractual information is provided to the contracting party during the application process for the insurance plan, including the general, individual, and special terms and conditions.

What does this type of insurance include?

DKV Integral is an insurance plan that gives you the freedom to choose which doctor or centre you go to within the DKV Seguros authorised medical directory. There are five insurance modalities: Élite, Classic, Plus, Complet and Elección, which differ in the copayment amounts.

A copayment is a small amount that the policyholder pays whenever they use a medical service. Please see the "Table of medical treatment and copayment groups" in the special terms and conditions for more information.

 - Eight months: for healthcare for childbirth or caesarean sections.
 - Twelve months: for transplants.

The full details of the coverage limitations are listed in the general contract terms and conditions.

Where am I covered?

- ✔️ The insurance is valid for the medical directory authorised by DKV Seguros in Spain and, in the event of an emergency abroad, through the travel insurance policy, provided that the policyholder's usual place of residence is in Spain and he/she does not spend more than 180 consecutive days of the year away from this place of residence.

What are my obligations?

- To return the signed contract to DKV Seguros and to pay the cost of the insurance together with the copayment (if applicable).
- To declare to DKV Seguros, before signing the contract, all previously known conditions that could influence the assessment of the insurance coverage.
- To notify DKV Seguros about any changes in your country of residence, home address in Spain, or usual occupation, and the commencement of any high-risk leisure activities or sports.
- To submit any reports or verifying documents required by DKV Seguros.
- To use all available means for a prompt recovery.

When and how should I make the payments?

- The contracting party undertakes to pay for the insurance on an annual basis. However, it is also possible to pay the amount in six-monthly, quarterly or monthly instalments, whereby a surcharge will also apply.

The first payment must be paid at the moment of accepting the contract.
The following payments shall be made on the agreed dates.
- Copayments (according to the selected modality) must be paid together with the insurance receipt.
- Payments will be made by direct debit from the bank account designated by the contracting party.

When does the coverage start and end?

- Once the contract has been signed and the first instalment has been paid, the special conditions will take effect on the date indicated in the particular conditions and end on 31 December. The contract will be renewed each year unless one of the two parties (the contracting party or the company) states otherwise.
- DKV undertakes not to cancel the contract after the third year, provided that the contracting party complies with his/her obligations.

How can I cancel the contract?

- The contracting party can oppose the renewal of the contract by submitting a written notification to DKV Seguros at least one month before the contract termination date (31 December).
